Spokes Club Shirt

The Club has chosen a bright red shirt with “Remember The Thrill” imprint on the back and “Super-SS” imprint on the front as a club t-shirt. Photographs of the shirt are shown.

The first group of shirts has arrived and you may have seen members wearing theirs. Now is the time to order a shirt or two of your own. Sooner or later, warm weather will arrive, and we can think about wearing our shirts. Badger makes the shirt and it is the same as produced for the Strawberry Century in 2010 except that the color is bright red. The shirts are moisture wicking and 100% polyester for maximum wearability in the summer/winter. The shirts are, I repeat ARE, available in men’s, women’s and youth sizes!

The cost for the shirt is quite reasonable: short sleeve @\$20 and long sleeve @\$24. Add extra for large sizes. You can have a zipper installed for \$15. The Club will bear the total cost of the silk-screens at \$105 and the screens will be stored for future orders.

The order form is on the reverse side. Please fill in your order and mail it with your check to John Hebda. I suggest buying both short & long sleeve shirts so you’re covered in summer/winter. We will accumulate shirt orders until mid-May before ordering the second group of shirts.

I hope you’re interested in this snazzy shirt. It will help us be recognized as a club and improve our visibility on the road. Besides, it is fun.
