

Covered Bridges Rides & Long Tour Sharing

Four Bike Rides of Covered Bridges Around Scio, A Potluck and Sharing Recent Long Tours

Whether you want to ride or not — join us for this bicycling event. Spouses and friends are invited. Four routes will take bikers over five, three, two or one covered bridge near Scio. Upon returning our potluck awaits. We'll provide two kinds of lasagna, bread & drinks. Bring a potluck dish of your choosing. RSVPs will help in planning. Folks in the valley who tour or who would like to tour are especially invited.

Suggested starting times should get most riders back to the house before 1:00 PM for lunch. Come for the rides; come for lunch; come for the tour sharing ~ any or all!

Starting at 2:00 PM Ace, Jo, David & Roger will share pictures & stories from their Southern Tier 2010. Next Don & Pat will share their Southern Tier which occurred a few weeks later. Then Tim & Marlene will share their tour from Bar Harbor to points west. Lastly Todd will share pictures and stories from his recent tour of the new Sierra/Cascades route. We'll answer questions, eat, relax and aim for completion by 5:00 PM.

Please join us for this fun bicycling event!
